Our History

Shahid Beheshti University of Medical Sciences is one of the three medical universities in Tehran, the capital of Iran. It began its mission in 1961 with establishing the Schools of Medicine and Dentistry as Melli University (National University). Since 1986 it's name has been changed to Shahid Beheshti University of Medical Sciences.

Type of Degree or Program:

General Physician (medicine, dentistry, and pharmacy)	3	Sub-specialty	26	BSc	29
Ph.D.	48	Fellowship	47	Associate's	1
Specialty	34	MSc	45	Ph.D. by research	15

The university is publicly-funded and its fundamental cornerstones include the Board of Trustees, chancellor, and the University Council. Furthermore, 8 vice-chancellors in Academic & Education, Research, Health, International, Treatment, Food & Drug, logistics, and Students' affairs are the main wings of the university in fulfilling its tasks.

Who We Are

There are 12 schools at SBUMS with a wide range of educational, labs and research facilities along with large number of academic staff including professors, associate professors, assistant professors and instructors, all responsible for educating students in different medical fields.

International Student Admission

International students who wish to pursue their higher education at Shahid Beheshti University of Medical Sciences must fill the forms online and send it to our international department. Then Admission Committee will review the applications and admission will be granted accordingly.
